

HOSPITAL CAMPAIGN FUND NOW \$15,000

Alexandrians Gratiified by Success in Raising Money for Proposed Institution.

ALEXANDRIA, Va., April 26. By the receipt of subscriptions amounting to \$15,000 in the first week of the thirty-day campaign, the success of the plan to raise \$50,000 for a new building for the Alexandria Hospital seems assured. At a meeting of the committee held last night a total of \$15,000 was reported. This was augmented today by the subscriptions received from the public and private schools and several subscriptions which came in after the committee adjourned last night. Tomorrow afternoon the complete list of subscribers will be published, and it is expected that at that time the total will be near the \$30,000 mark.

Two new subcommittees are at work. One is sending out appeals to all former residents of Alexandria, asking for contributions, and the other is soliciting help from merchants and manufacturers who sell goods in this city. The latter named committee obtained a subscription of \$100 from a Washington corporation yesterday. The fraternal organization committee is also active. There are seventy organizations in Alexandria and four have already sent in their subscription of \$100 each.

Fire yesterday threatened to destroy the plant of the Virginia Glass Works, on Duke street extended. The blaze was confined to the paper warehouse, where there was a loss of \$4,000. Although the fire was outside the city limits, the Reliance engine responded.

Capt. F. L. Slaymaker, of the Alexandria Light Infantry, received orders yesterday from Capt. Charles M. East, adjutant of the first regiment, Virginia volunteers, ordering him to recruit his company up to seventy, its full strength, at the earliest possible moment. Advice were also received that it was probable that the company would be called out for camp work within forty-eight hours.

The Rev. William J. Morton, rector of Christ Church; the Rev. P. P. Phillips, rector of St. Paul's Church; the Rev. Edgar Carpenter, rector of Grace Church; and the Rev. Professors Paca Kennedy, W. Cosby Bell and Berryman Green, of the Theological Seminary, of Virginia, will attend the sessions of the Piedmont Convocation of the Diocese of Virginia. Sessions will be opened tomorrow night in St. Stephen's Church, Culpeper, Va.

The directors of the Fairfax County Fair Association have fixed October 15 to 17 as the dates for the annual fair at Fairfax Court House.

Mrs. P. F. Phillips, wife of the rector of St. Paul's Episcopal Church, who was operated on yesterday at the Alexandria Hospital, is greatly improved.

The body of a colored man, apparently about forty years old, was found floating in the river near the acid plant yesterday afternoon. It was removed to Demaine's undertaking establishment. Coroner Jones decided that an inquest was not necessary.

Harry Hempler, of Washington, who was arrested Thursday, charged with firing a pistol from an automobile, was released yesterday on a \$1,000 bond.

Suburb for Bond Issue.

The proposition to bond the town of Kensington, Md., for \$50,000 to install a modern sewerage and water system was carried yesterday by a vote of 72 to 49.

Brother of Beilis Is Driven From Russia

LONDON, April 26.—The aftermath of the Beilis case is still being felt, according to a correspondent of the Jewish Chronicle, who says that since Beilis' departure his relatives have been the victims of official and unofficial attention.

His brother, Aaron, is the chief sufferer. He has been forced to leave for America.

Despite all the facts demonstrating that the murderers of the Hebrew boy Pashkoff, at Fostov, were Russians formerly connected with the secret police, the ministry of justice has its own theory, namely: "Beilis took his relative Pashkoff, with him to Palestine, and the murdered boy was a Christian."

CAPITAL MEN FORM BIG DAIRY COMPANY

Milk From Frederick County, Carroll Manor, and Dr. Wiley's Herd to Be Used.

Several prominent Washington business and professional men are named as incorporators of the Carroll Manor Dairy, which will supply Washington and vicinity with milk from the well-known dairy sections of Frederick county, Md. The new company also will distribute milk from the celebrated herd of Charles Carroll, of Carrollton, and from Dr. Harvey W. Wiley's thoroughbred herd.

The incorporators of the dairy company are Charles Carroll, J. Selwin Tait, Clarence J. Owens, Frederick H. Allen, Dr. H. Krogsstad, Charles M. Pepper and Bolton Priory. It is the intention of the Carroll

Manor Dairy, Inc., to introduce a new and patented system of pasteurization in the final container so as to place within reach of all at reasonable cost, only the purest milk. It is an interesting fact that the dairy at Carroll Manor farm is the original one built on the estate in 1788. Not only is this dairy in perfect condition, but is today a model of sanitary perfection. Charles Carroll, owner of the farm, is a direct descendant of a signer of the Declaration of Independence. During the last year more than \$100,000 has been expended improving the buildings and lands and adding thoroughbred stock, with a view of making it a model dairy farm.

Plan Novel Contests on Board of Trade Outing

Members of the Board of Trade who are going on the annual shad bake to be held on May 24, at Chesapeake Beach, are advised to prepare for the athletic events announced by Chairman Olney W. Stratton. It is announced that the events selected are such that the average "tired business man" will not be outstripped by his more energetic young rival. Handsome prizes are being set together for the various events, which include the usual baseball game, a sprint or two, centipede and backward races, wheelbarrow race, and other novel events for competition, including the celebrated race for fat men weighing not under 200 pounds.
